Letter from President Kaleigh Brumley

Dear members of the IASC,

I've always wondered how far I would go with Student Council, and never did I imagine I would be here. I would first like to start off by thanking you. The IASC has been working effortlessly to bring the State and Districts together. Forms of communication are expected to further, allowing more Individuals to get involved and learn what Student Council is all about. As the 2023-2024 year starts to move forward, I want to ensure everyone is steadily informed. Social media announcements, emails, and face-to-face conversations should skyrocket. I look forward to working and connecting with you all. Your cooperation and patience with the IASC is greatly appreciated.

Regaining resilience is my number one priority this year. Many schools, as well as districts, have lost their connection with Student Council. This could be for a number of reasons, but with continuous drive and resilience, our membership and connections will grow. The IASC will stop at nothing to achieve our goals and ambitions. The IASC will stop at nothing to achieve our goals and ambitions.

Thank you,
President Kaleigh Brumley

My plan is to expand the knowledge and further opportunities of Student Council. It is my senior year, and I am currently on the MVTHS Cheer Team! I serve as my school's First-Vice President for the Executive Board, and have served as the LEDSC Secretary! (2021-2022). I am eager to see what this year holds for the IASC, and I'm so excited to meet many new people!

1st Vice President Parker Johnson

Hey there, IASC! My name is Parker Johnson, and I just want to say that I couldn't be more excited and grateful for this opportunity you've given me to serve our great organization this year as 1st Vice President! I have served on the Student Council at Benton Consolidated High School as Class President for three years now, but that's only one aspect of who I am. I compete for my school in the IHSA competition seasons of Cross Country, Scholar Bowl, and Speech. I am also a member of Benton's Advanced Choir, Fellowship of Christian Athletes, Youth and Government, and Pep Club Executive Board. Outside of my school I participate in community theater with our local theater company, "Pyramid Players," as well as lead worship for the youth at my local church, Immanuel Baptist Church. Above all of this, I am a disciple of Jesus Christ, and it is he that deserves all of the credit for anything I am capable of accomplishing this year. My hope is that together we can make this year the best year that the IASC has ever seen!
